

Southeast Machine, Inc. is committed to quality and continual improvement, working as a team ensures that the company's goals for quality, efficiency, and customer satisfaction are met. Southeast Machine, Inc. is committed to the safety of the company's operations including the health & safety of its employees and customers. **Customer Satisfaction** is our main priority. We want to be our customers preferred supplier. In doing so, this Quality Policy has been formulated, implemented, and is committed to:

- Consistently meeting customer requirements/expectations,
- Always providing our customers with the best products available,
- Continually improving the quality management system and the service we provide to our customers, and
- Adhering to all customer requirements, as well as those defined in the international standard AS9100.

In an effort to make our policy memorable to all employees and customers, we have decided to adopt a Quality Slogan that we feel incorporates all the statements listed above. That slogan is:

Quality Is Built Into Every Part

Based on our Quality Policy, our Quality Objectives have been established in order to strive towards our goal of improvement. They are defined in QM-100 Appendix F, Target Attainment Plan (TAP).
